

COVID-19 may make you very sick

You may end up in hospital

Most people who become very sick or die have not been vaccinated.

Vaccines are the best way to keep you safe.

Do you need help to make and get to a vaccine appointment?

We are here to help

We can answer your questions

We can get you to the clinic

We can give you your vaccine at home

Call 0428 843 695

Ballarat **Health**Services

**Roll
up your
sleeve**

We're in this together
