

WINMALEE HIGH SCHOOL

WEDNESDAY SPORT PERMISSION NOTE 2021

Sport in NSW Government Secondary Schools is compulsory for students in Years 9-11. At Winmalee High School we offer a traditional sports model in which all of the students in these year groups go to sport on the one afternoon; Wednesday afternoon.

Winmalee High School offers a wide variety of sports for our students to cater for a variety of sporting interests and abilities. Each term students have the option of choosing a sport. When choosing a sport for the term, parents/caregivers are asked to give careful consideration to ensuring that they are able to fulfil the requirements of the selected sport for the entire term, i.e. they are able to pay for their child's sport each week and bus costs and/or they have the necessary equipment to be able to play the sport. Appropriate behaviour is required from all students whilst attending sport. Students must display good sportsmanship whilst playing and be considerate to players and teachers and the public whilst at sporting venues and other schools. All students need to wear their sports uniform for sport (Maroon shorts, tracksuit pants and white PE/sport shirt. Maroon jumper for Years 9 & 10, black jumper for Year 11). Please read and sign the attached Sporting Code of Conduct and return it with your sporting choices for term 1,2,3, and 4 2021.

- When** Wednesday afternoons from 12:15pm to 2:30pm.
- Venue:** The sporting venue varies depending on sport selected by your child. Please read the attached sheet for information about your child's venue.
- Method of Transport:** Students will leave from school and return to school with their sport, either by bus or walking depending on the sport chosen by your child. See the attached sheet to verify your child's mode of transport.
- Cost:** The cost varies depending on the sport chosen by your child. See the attached sheet to verify the costs to be met for the sport your child has chosen. Students must pay their sports money for the full cost of the term by Week Five of each term. Students who do not meet this deadline will not be permitted to continue to attend this sport or any other sport with a cost attached until the money is paid in full.
- Parental Permission** Parent/Caregivers need to complete all pages of this document. Please indicate which sporting activities you give your child permission to attend on a Wednesday afternoon after having considered the costs.
- Early Leaver:** Should your child need to leave school early on a Wednesday afternoon or it is convenient for them to travel directly home from their sporting venue, they are required to present a note signed from their parent/guardian to the HT Admin before recess.
