

Balmain PS 2021 **Instrumental Program**

2021 MEMBERSHIP APPLICATIONS ARE OPEN!

The Balmain PS Instrumental Program is a vibrant and fun program, where every student has an opportunity to learn an instrument in a supportive and collaborative setting. Our experienced music teachers from Directions In Music specialise in teaching primary school instrumental music programs, and we are excited to be welcoming our newest young musicians to join our program in 2021!

Learning a musical instrument is a wonderful skill for young people to have, and provides many rewarding benefits to a child's development. Most importantly, playing music with our friends is fun!

About the Program

Students joining the instrumental program will attend two sessions each week. There will be an ensemble rehearsal (either BAND or STRINGS), as well as a private instrumental lesson held separately. There is no need for students to have any musical experience to join as the program will cater for complete beginners.

Following the application process, places in the program will be confirmed after the due date, and we will then organise all the details to commence lessons. Our DIM Team can assist in organising an instrument for your child, and we'll arrange our specialist tutors to teach them everything they need to know!

When are the rehearsals and lessons?

- Band rehearsals are held on Thursdays before school
- String Ensemble rehearsals are held during school time on Tuesdays
- 30 minute private lessons for each instrument are held during school time throughout the week

What does membership cost?

- Band & lesson membership is \$545 per term (payable prior to the start of each school term), which includes all scheduled lessons, rehearsals, and performances.
- Students will receive a Beginner Band Kit (band book, practice diary, & bag) at a cost of \$35.
- DIM is a registered provider for NSW Creative Kids Rebate Program - \$100 can go towards your child's music lessons each year!
