Dear Parents,

Welcome to a new school year!

My name is Thet and I am so excited to have your child in the OSHC service this year. At our OSHC, we aim to inspire your child to grow into who they want to be. You will make new friends and learn many new things. We are playing games, reading books and participation in sports, as well as assembling blocks/Lego and creating art and crafts. The children are enjoying planned experiences guided by our engaged educators, so they can learn and have fun.

Rebranding our services – Guiding Children's Growth

Most excitingly in 2021, we are moving towards a rebranding of Camp Australia and our brand of promise has become 'Guiding Children's Growth'. You will have noticed the rollout of our new brand that has commenced. Our look and feel reflects who we are and supports our commitment to not only being the biggest but also the best provider of OSHC in Australia.

Term 1 programs

Our programs for term 1 will be based on your children's interests such as 'Discover the traditions of Chinese New Year', tennis, yoga, painting, Lego challenges and board games.

Parent Portal app for smartphone

Our Parent Portal app is available now.

This new Parent Portal app significantly improves the way that parents make and manage your bookings with Camp Australia by offering a simplified and intuitive booking process, a booking calendar overview to see your bookings in advance, and updated features including multi-child booking and a recurring/casual toggle.

I have attached our Parent Portal app newsletter to this email to share with our school and encourage everyone to log into your native app store and download the app today.

I look forward to seeing you and your family.

Camp Australia

What is OSHC and why is it right for your family?

OSHC stands for Outside School Hours Care. Camp Australia's OSHC service provides enrichment and care for primary school-age children outside school hours and during the school holidays. Depending on your school, it can cover Before School Care, After School Care and Vacation Care.

At Camp Australia, our vision is *To support families in achieving their dreams* and our promise that is that we will *Guide Your Child's Growth*.

To do that we take a unique approach to OSHC based on over 30 years of experience.

Enriching experiences that children love

Our experienced educators involve your child in designing the experiences that make up our OSHC program. Our industry leading approach to program development ensures that your child is at the heart of what we do each day.

A place for friendships to form

OSHC is a great place for your child to meet new friends and bond over shared interests. We design programs that bring children together so they can connect and grow outside school hours.

Introducing our brand-new Parent Portal app for smartphone

Earlier this year, we conducted customer focus groups to get direct feedback from parents regarding their experience with Camp Australia.

This research highlighted the need to have a streamlined way for parents to access their accounts and manage their bookings and enrolments; and informed the design for our brand-new Parent Portal app for smartphone.
