

St Joseph's Catholic Primary School

Wandal, Queensland

~ To Love is to Serve ~

3rd February 2021

Dear Parents,

Over the last few years there has been research and trials conducted into the positive impacts of some essential oils in learning settings. Here at St Joseph's, Wandal some teachers will use essential oils in their classrooms and other learning spaces. We are in no way endorsing particular products or companies, or indicating that the use of essential oils have medicinal or healing properties. We are simply, in our ongoing efforts to produce and maintain optimum working environments for our children, willing to trial a 'natural' approach to enhance the classroom environment. You can read more about the use of essential oils in classrooms here:

<https://www.doterra.com/US/en/brochures-magazines-doterra-living-fall-2016-the-classroom>

If your child has an allergy to any possible ingredients or if you have any other queries or concerns, please do not hesitate to contact your child's teacher.

Kind regards,

Kellie Jenkinson
Principal
