Parent / Carer Communication

Dear parents and carers,

With the development of the new parent email group at the end of last year, there were some issues with non-Newcrest email addresses receiving an email from the school. This has now been rectified. The main form of communication from the school to parents, carers and the wider community is the school's weekly newsletter – 'Toksave', sent out each Thursday. The Toksave and other relevant parent letters are disseminated through:

1. The LIS parent email group
2. Newcrest Townsite Messages email group
3. Posted on the school's Facebook page www.facebook.com/LisInterSchool/
4. Posted on the school's website www.lipschool.com.au
5. Posted on the school noticeboard at the school's entrance
6. Hard copies sent home to parents who do not have access to the internet.

If parents / carers are not able to access the newsletter through any of the above means, please contact the principal.

If you would like to update your email address for receiving the weekly Toksave, or would like to receive a weekly hard copy, please fill in the tear-off slip below and return to the class teacher as soon as possible. Do not hesitate to make contact if you would like further clarification.

Regards,

Greg Neville
Principal
