

# H.B.P.S Sports Day 2021

## General Notes

- Co-operation, sportsmanship and good behaviour is expected from all students.
- Children are able to dress in their team colour. Students are to wear clothing appropriate for physical activity whilst keeping in mind sun safety perspectives (bringing a water bottle, applying sunscreen, shoulders being covered). Children also need to wear their school hat or a suitable alternative.
- Students are to go to their class after the first morning bell so that the roll can be taken. The day will commence at 9am on the sprint track. Students will sit with their team prior to starting the first event.
- Students are required to stay with their class group during the day.
- At the end of the tabloid events all equipment needs to be packed into the bags/crates provided and returned to the gym by the last teacher on that activity.
- After lunch, students need to move to their team area located on the sprint track to watch the relays.
- Presentations will occur once the relays have finished. Children will then return to class with their teacher until dismissed time at 2pm.

## Thursday 1 April

TIME	ACTIVITY
8.30-8.50	Students arrive at school.
