

Before and After School Care

St Anthony's Girraween

Have you enrolled at COSHC?

At the end of Term 2, 2021, the onsite Activities Centre at St Anthony's will be transferred to COSHC (Catholic Out of School Hours Care).

If you require:

- Before School Care
- After School Care
- Vacation Care,

It is essential that you enrol with COSHC.

Please note: your current enrolment with GAC will not be automatically transferred—a new enrolment with COSHC is required.

The COSHC Team

CDPSL is currently recruiting a strong team of educators to continue the great care that has been offered at St Anthony's. Many positions are still being finalised, but we are able to announce some key appointments.

We are pleased to advise **Monica Dave** has been appointed as the Service Coordinator for St Anthony's COSHC. Monica has 6 years experience in children's services and is currently working at Kellyville with the Our Lady of Angels team and from June / July Vacation Care, will lead the COSHC team at St Anthony's.

We are also pleased to announce, current GAC educators, **Lesley Anne Serio and Liesa Azzopardi** will continue at St Anthony's in the COSHC team. This will ensure children and families have familiar educators caring for them which will greatly assist the transition.

The St Anthony's team will be joining 37 COSHC services managed by Catholic Diocese of Parramatta Services Limited. This provides exciting opportunities for each COSHC to work with other services, schools and educational professionals to collaborate, share ideas and create amazing programs for your children.
