

# Stockton Public School

Quality education for life in a safe, caring environment.

**UNITED - SAFE - ENGAGED**

28 April 2021

Dear Parents/Carers,

As part of our Stage 3 curriculum, we have organised for the children to participate in a Claymation Digital Animation Workshop. This activity will be for Year 5 and Year 6 students only.

This workshop allows students, using the stopmotion / claymation process, to story board, animate (using the latest digital software), edit (adding of titles, credits & music etc) and produce an animation. All material is provided. Students develop their narrative writing skills, work with multimodal digital media, explore the Science & Technology syllabus strand "Information & Communications" and utilise aspects from the Creative Arts syllabus.

A brief overview of the incursion –

- **Date:** The Claymation workshop is a whole day activity at school. It is organised for three consecutive Fridays, Friday 28 May, Friday 4 June and Friday 11 June. The Stage 3 teachers will split the students into three groups, it may not be the class group. Each group will attend one of the Friday sessions. As the workshop gets closer students will be notified of the Friday that they will be attending.
- **Venue:** School hall
- **Cost:** \$35.00 per student
- **Due date:** Friday 21 May

All cash payments must be in the attached envelope. Your child must post into the door mail box before school. Permission notes are to be returned separately to the classroom teacher. You may choose to pay online by the "Make a payment" tab on the Stockton Public School website.

All payments must be finalised by the due date. No late payments will be accepted, and your child will not be able to attend a workshop. As such, if you are facing difficulties or financial strain, please call the office to discuss so that we may provide the required support.

Mr Sean Kelleher  
Stage Teacher

Mr Jordan Van Wyck  
Stage Teacher

Mrs Pauline Smith  
Stage Teacher/ Assistant Principal

Ms Jodie Holt  
Principal
