Fun Kids Punchbowl
Term 2 Week 4 - 2021

We have had a great start to Term 2 with seeing some familiar faces return and some new families joining the service. It is exciting to see the Before and After School Care service grow and thank you for all the families for spreading the good words for us. We are currently in the process of planning our June/July Vacation Care and are excited for you all to see what we have planned.

VACATION CARE FUN

At Fun Kids Punchbowl, the children had great fun during our first Vacation care program. Children enjoyed incursion from Brickz4kidz, activities planned for science day, sports day, art and creation day and lots more!

Free Breakfast and Afternoon Tea

We provide free breakfast and afternoon tea that is healthy and nutritious, prepared especially towards the liking of your children. Children's favorite fruits have been rockmelon, apple and grapes. All food served at Fun Kids Punchbowl is Halal food.

HIGHLIGHTS

This term the children have been participating in a variety of fun activities at before and after school care. This ANZAC day the children were involved in making ANZAC wreaths.

The children also made card to gift their mothers on Mother's Day. The children enjoyed making the cards and were excited to give their cards to their mothers.
