Quality education for life in a safe, caring environment.

**UNITED - SAFE - ENGAGED**

25 May 2021

Dear Parents/Carers,

As part of the transition to High School program, Year 5 students have been invited to visit Newcastle High for a 'Taster' day. This is to give the students some familiarity with the high school before starting Year 7 in 2023. This will be a day when there will be some 'mini-lessons' to allow the students to discover more about high school.

All Year 5 students can participate in the day's activities. If you anticipate that your child may not attend Newcastle High School in 2023, we encourage you to send him/her to attend on this day as it is good experience for high school.
