

In-School 'Footsteps Dance' Program

In order to support a well-balanced Physical Education and Music program for Sutton Public School students, the Footsteps Dance Company will provide a dance program for our Kindergarten to Year 6 students in Term 3. Lessons will be held on Friday afternoons starting 23rd July.

Footsteps Dance Company specialise in curriculum integrated school dance programs which use dance as a vehicle to develop students' interpersonal skills and fitness levels in an exciting and fun environment.

This program is designed specifically for students in primary and will incorporate both individual and partner dances while focusing on the development of rhythm, co-ordination and movement skills. It is a **compulsory** component of our learning program.

As this program is being run by a professional dance group there will be a cost involved for the lessons. The program will run for 10 weeks. The cost will be \$31 per student for the 8 weeks. Payment is to be made online. If you are having financial difficulties, please do not hesitate to contact the school administration office so that arrangements can be made.

Notes are to be returned by Friday, 25th June 2021.
