The Bike Passport provides simple tips to reduce your chances of becoming a victim of bike theft. Use the Bike Passport to record details of your bike that will assist in identifying and returning it, if it is stolen. Download the Bike Passport by visiting www.police.sa.gov.au

Consider the following crime prevention tips:

- Engrave or mark your bike frame (near the serial number) with an ultraviolet (UV) pen, microdot or by other permanent means with your driver's licence number prefixed by the letter 'S' for South Australia, e.g. S123456.
- Mark all accessories including helmet, lights, pump, saddle, etc.
- Take a photograph of your bike.
- Complete the Bike Passport and keep it in a safe place.
- Purchase and fit a good quality bike lock.
- Always park and secure your bike in well-lit and populated areas.
- Always lock the frame and both wheels to a secure object.
- When securing your bike, remove equipment including helmet, lights, pump, etc.
- Never leave your bike unattended and unlocked, even for a short period of time.
- When at home, secure your bike in a locked shed or inside your house.

South Australia Police (SAPOL) is committed to working in partnership with the community to prevent crime and reduce the fear of crime to ensure that South Australia is a safe place to live, visit and do business.
