

HBPS P&C Committee Fundraiser

Dear Parents/Carers

The HBPS P&C Committee are about to kick off a fundraising initiative to raise money for the school. We set ourselves a fundraising target of \$10k this year. The money we raise will go towards upgrading some classroom furniture (e.g. new mobile/movable desks, stools) and the upgrade of canteen equipment (e.g. dishwasher).

The good news is that this fundraiser is super simple and delicious. All you need to do is collect a box of Cadbury chocolates from the school's front office, sell the items and then return all sale proceeds.

Each item sells for \$1 with each box containing 60 items (\$39 cost + \$21 profit = \$60).

Every box sold generates \$21, or for every 100 boxes sold, we raise \$2,100.

Tips for selling your treats

- If you work in a large office/organisation, then this is perfect. Just pop it in the lunch area/kitchen.
- If you own a small business, place it on your reception counter.
- Sell to family members, colleagues, friends and neighbours, or, just keep the box in your pantry for that sweet treat when you're on the run.

Please note: It is not recommended by Cadbury and the committee that children sell the products – if they are involved, please ensure adult supervision is present.

To participate in this fundraiser collect a chocolate box from the front office.

Once you have sold your box you can pay via Qkr (cost \$60). If you don't sell all the chocolates please pay the total amount sold via Qkr and return unsold chocolates to the front office.

Thanks for your support.

Rosemary Kourtidis
P&C Committee Chair
