PARENT WEBINAR
ONLINE SESSION VIA ZOOM

Learning Links are running webinars for parents using industry standard Zoom software, a secure and encrypted video platform.

To ensure we can provide the best possible support via online Zoom sessions, here is some information to follow to download the program and check that your internet and computer meet the necessary requirements.
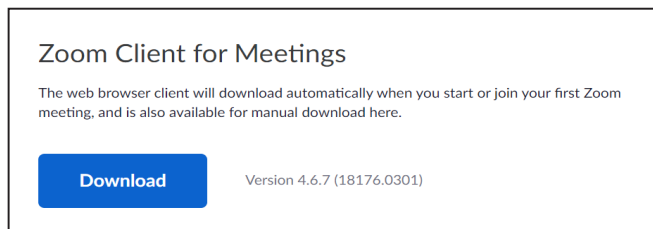

ZOOM SESSION REQUIREMENTS

To participate in the webinar with Learning Links via the Zoom platform, you will need:
- A desktop computer, laptop or tablet
- A stable internet connection – broadband wired or wireless (3G or 4G/LTE)

DOWNLOADING ZOOM

To download the Zoom video program onto a laptop, desktop computer or smart device, visit **https://zoom.us/download**

Select 'Zoom Client for Meetings', click 'Download' and follow the prompts to install the program.

Zoom Client for Meetings

The web browser client will download automatically when you start or join your first Zoom meeting, and is also available for manual download here.

Download   Version 4.6.7 (18176.0301)

If you are using a tablet or iPad, download the 'Zoom Cloud Meetings' app from the App Store or in Google Play.
