

Vacation Care Expectations

Please ensure your child has the following items each day they attend OSHC:

- **Wide brimmed hat** (no caps).
- **Closed in shoes** (required for outside play, incursions and excursions).
- **Sun protective clothing** (shirt must cover shoulders. Please also ensure clothing is accommodating to daily movement and wet play).
- **Healthy food for meal breaks** (please remember that we have three breaks throughout our vacation care days; morning tea, lunch, afternoon tea – your child will require enough food for each of these breaks).
- **Medication if required** (all medication must be labelled with a chemist label and handed directly to the Responsible Staff Member of the shift – e.g. puffers, EpiPens, Panadol etc. and a *Medication Administration Permission Form* must be completed before parent/carer leaves premises).
- **Spare change of clothes** (please bring a spare change of clothes each day as we may decide last minute to engage in some wet or messy play and a change of clothes may be required).

If these items are not brought each day, this may limit the activities your child is able to participate in and in the case of an excursion/incursion, your child may be unable to attend or participate.

Further Requirements:

On Incursion and Excursion days, your child must be at the service no later than 8am, to allow staff and children to prepare for the day ahead. Please ensure that the permission forms are signed while also signing your child into the service.

Due to our sign in / out system at OSHC, only people who are on your child's *Xplor 'Hub Guest' contact list* will be able to sign your child both into and out of the service. If the person dropping or collecting your child is not regular at the service, they will be required to bring photo identification. If you require someone who is not on this list to drop or collect your child from the service, written permission must be handed to the OSHC Coordinator (by a parent) with this person's full name, address, contact number and parent signature prior to this occurring.

Booking and Cancellation Procedure:

Please remember to make
Vacation Care bookings through
the new Xplor app!

Bookings and cancellations are to be made through the new Xplor app. Cancelling a vacation care booking will require you to request an absence through the Xplor app by no later than 12pm the business day before attendance is due to occur, to avoid fees being charged.
