

Intention to apply for Year 7 placement in a selective high school in 2023

Dear parents and carers

Selective high schools cater for academically gifted students with high potential who may otherwise be without sufficient classmates at their own academic standard. Selective high schools help these students to learn by grouping them with students of similar ability, and by using specialised teaching methods.

If you would like to have your child considered for Year 7 selective high school entry in 2023, you need to apply on the internet using a valid email address (not the student's email address).

The Selective High School Placement Test will be held on Thursday 10 March 2022.

Detailed instructions on how to apply and the link to the online form will be available in early-October 2021 at <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>.

Applications open on 19 October 2021 and close on 17 November 2021. You must apply before the closing date.

You must submit only ONE application for each student.

The form below is NOT an application and the school CANNOT apply on your behalf.

Yours sincerely

Maria Lambos
Principal
