

RESUMPTION OF THE SWIMMING PROGRAM! (Part 2)

WHAT TO BRING:

- Bathers
- Goggles
- Towel
- Plastic bag/swimming bag (for school clothes / wet bathers / towel)
- Thongs to change into before leaving school and brush/comb (optional)

Students should wear their bathers under their uniform (if possible) as there isn't a lot of time between arriving at the pool to the start of the lesson.

Thankyou for your understanding
