

NEWPORT MUSIC PROGRAM

Dear Parents & Carers

We are excited to offer your child the opportunity to join the Band and learn an instrument. We currently have 3 bands at Newport: training, intermediate and performance band for students from years 3 to 6. The Newport band program is coordinated by the band director and volunteer parent music committee in conjunction with Newport Public School.

Why Join the Music Program?

Apart from the joy of playing a musical instrument, students develop confidence, teamwork, and self-expression through rehearsing and performing. Participating in the Music Program gives students a sense of personal achievement, while allowing them to be part of a diverse group within the school community. Band may also create a pathway to further musical programs at a regional/community level or later at high school in some of the music extension programs and ensembles.
